Doubtful — Allegheny.

Just completing a tour of the State, which has taken them into many counties with the celebrated Suffrage Liberty Bell, the suffragists are confident the vears ago with three Hartford women. Bell, the suffragists are confident the verdict will be in favor of the enfranchisement of their sex. Equally confident are the "antis," who have labored just as faithfully and energetically.

Mrs. Frank M. Roessing of Harrisburg, president of the Pennsylvania Woman Suffrage Association, said regarding the vote in November:

Sew London was the last town of the verdict of the sufficiency and every their sufficients are transparent to the sufficient of the suf

pirit and votes accordingly. The real of the came a campaign of two months of the came in which New London raised \$135,000 for the institution. Commodore Plant frage is coming eventually and are for the institution.

Emily Sargent Lewis, president of the Equal Franchise Society of Philadelphia,

Equal Franchise Society of Philadelphia, expressed this opinion:

"Pennsylvania will probably favor woman suffrage in November. Its best outlook comes from the support of the press, of numbers of the clergy and of large organizations, such as the Pennsylvania Grange, Federation of Women's Clubs, labor urions, educational and business associations and all reform associations. Suffrage associations are taxed to their limit in answering all the interested inquirers, furnishing speakers

Work Begun on June 11.

On that day—June 11—the project took tangible form. Architects were hired and as soon as might be the construction of buildings began. Plant and Blackstone houses represent an additional gift by Commodore Plant of \$120,000.

clection, said one man in the central part of our State a few days ago. This opinion expressed in a variety of ways comes from every section of the State. There seems to be little sentiment for suffrage even in the big cities, and the question is rather how large a majority we shall roll up than whether we shall win. We are running a race with Massachusetts, New York and New Jersey, and we call on the men of Pennsylvania at op ut our State at the head of the list in defeating woman suffrage.

Mrs. Horace Brock of Philadelphia, president of the Pennsylvania Association Opposed to Woman Suffrage, case sentiment to put our State at the head of the list in defeating woman suffrage in November. This is admitted even by many suffragists. My opinion is based upon refragists. My opinion is based upon refragists. My opinion is based upon refragists. My opinion is based upon the fact that the men of Pennsylvania know that few women of the State want to total Under the laws of Pennsylvania if women obtained the ballot they would be liable to jury duty, and men do not want to see their women on juries, Neither do they want them deprived of the rights and privileges which they now enjoy under the laws of the State on To please a few women that a state of willing to bring about this state of the present time. No license counties expect a majority for women suffrage.

The last themens of Pennsylvania in the present campaign in Pennsylvania will open suffrage to women in 1913.

The last themens of Pennsylvania in the present campaign in Pennsylvania will open suffrage to women in 1913.

The last themens of the Republican part voters in marking their ballots the salue to have an effect into the Republican part voters in marking their bal Neither do they want them deprived of the rights and privileges which they low enjoy under the laws of the State. To please a few women they are not villing to bring about this state of ffairs, with increased taxation, a loubled electorate and no compensating lives the last three years seven States have turned down suffrage. In 1912 it lost in Ohio, Michigan and Wisconsin.

Republican Organization, Supporting Perkins, Believes He'll Win Easily.

MOSS ALSO IS CONFIDENT

28 are only nine days off, but unless the campaign shows more signs of life than have been observed thus far it will be anything but a nine days won-

In the few Assembly districts where party leaders and their candidates for Assemblymen and Aldermen are com peting for local mastery the stage man agers have been able to stir up some little feeling. In the city at large and in New York county, however, the voters have found nothing sufficiently exciting to endanger their nerves.

The Perkins-Moss contest for the Republican District Attorneyship nomination being the only set-to of major importance, it was expected to supply those elements of conflict and suspense which the public expects of political scrimmages. But although the two men have been slamming at each other in speeches before Republican district clubs, they have found it difficult to arouse the voters by their arguments

The Republican organization, which i supporting Mr. Perkins, believes that he Compilation of Laws Governing will win easily. Mr. Moss says the organization controls nothing but the "clubhouse vote," which he estimates at only 10 per cent. of the party's total, and that he will get enough of the remaining 90 per cent, to capture the

At all the twelve meetings which h hated has addressed Mr. Perkins has promised to support his opponent if he is de-of feated. He has challenged Mr. Moss to make the same declaration. Mr. Moss is unable to do so because before he got the Progressive designation he agreed to run for District Attorney even if he go nothing except the Progressive nomina-

tion.
Mr. Moss's position has enabled the Best Equipment Used.

In every department of the college the equipment is the best possible for its particular course and the institution will open under the most favorable auspices. It is proposed to signalize the event with appropriate exercises.

The members of the faculty of Connecticut College for Women are as follows:

Mr. Moss's position has enabled the Perkins men to make much of the charge that Mr. Moss is "merely working in the interest of Tammany Hall." They say that Mr. Perkins is sure of the Republican nomination, that if Mr. Moss is "merely working in the interest of Tammany Hall." They say that Mr. Perkins is sure of the Republican nomination, that if Mr. Moss is "merely working in the interest of Tammany Hall." They say that Mr. Perkins is sure of the Republican nomination, that if Mr. Moss is "merely working in the interest of Tammany Hall." They say that Mr. Perkins is sure of the Republican nomination, that if Mr. Moss is "merely working in the interest of Tammany Hall." They say that Mr. Perkins is sure of the Republican nomination, that if Mr. Moss insists on running for election there will be two candidates opposed to Tammany Hall. and that this division of strength will help to elect Judge Swann. Last night Mr. Perkins thus complete the interest of Tammany Hall." They say that Mr. Perkins is sure of the Republican nomination, that if Mr. Moss is "merely working in the interest of Tammany Hall." They say that Mr. Perkins is sure of the Republican nomination, that if Mr. Moss is "merely working in the interest of Tammany Hall." They say that Mr. Perkins is sure of the Republican nomination, that if Mr. Moss is "merely working in the interest of Tammany Hall." They say that Mr. Perkins is sure of the interest of Tammany Hall. and the interest of Tammany Hall

> "I feel very confident that the vote for Mr. Moss in the Republican pri-mary will be negligible. The enthusiasm of the party workers has impressed me as being genuine, and there is no doubt that they are anxious to finish the primary work and jump into the fight to down the Tammany tiger. The countrywide desire to keep political in-fluences from operating in the office of the chief prosecutor is evidenced by the scores of independents, Democrats and Progressives, in addition to Re-publicans, who will support me. Many enrolled Republicans have assured me that the attacks on my administra-tion as District Attorney, made within the party, will not affect the outcome

primaries.
I am again nominated I shall carry on a vigorous campaign agains the domination or control of the District Attorney's office by any political organization or any outside influence operating against the ends of public justice. I believe that the record for efficiency made by this office is worthy of public approval, and I promise that public approval, and I promise that t will not be impaired if I am chosen

"There are upward of 100 cases of musual importance in the District At-orney's office in the course of special investigation and in preparation for trial. They are of peculiar interest to the people of New York, uncovering as they do a system of organized crime which has overawed and terrorized several sections of the country. They involve conspiracy, murder, felonious assault, arson, blackmail, extortion and

fore January 1. The magnitude and exfore January 1. The magnitude and extent of the investigations make it imperative from the standpoint of the county that the present administration be retained in office. If the present staff is disorganized the work will be set back to a degree which can be mildly described as deplorable, and the expense and confusion caused thereby would nullify the expenditure of time and money already made in these matters."

Mr. Perkins will speak at twenty meetings this week, beginning Tuesday night at the Republican clubhouses of inight at the Republican clubhouses of the Twentleth, Twenty-second, Twenty-fourth and Twenty-eighth Assembly dis-tricts. Mr. Moss will speak every night this week. He is already sure of the Progressive and American party nomi-nations, and the Frank Moss League, with headquarters at 114 East Twentyninth street, is planning for a har campaign after the primaries are over

matters.
